

# Agenda for Sydney

“Our mission is to make Sydney the best city in the world, that’s a project we want to work with you to achieve.”

- Eamon Waterford, CEO Committee for Sydney

We’ve identified six long-term results that will show Sydney is delivering on this mission:

## Economy

Sydney’s economy generates ongoing prosperity.

## Resilience

Sydney is net zero, nature positive, and our communities and infrastructure are resilient in the face of climate change.

## Culture

Sydneyers love their culture and people travel here to be part of it

## Planning

Sydney has well-connected communities, industries and infrastructure in the right places.

## Equity

Sydney is a fair and inclusive city that provides equitable opportunity and access for all, today and tomorrow.

## Mobility

It is quick, easy and enjoyable to get around Sydney on sustainable transport, and streets are full of public life.

# Big moves

**Sydney's stark challenges include chronic housing unaffordability, climate risks, siloed planning and investment gaps, especially in the west - with challenge comes opportunity, if we move fast.**

Six big moves that would make a difference over the next three years:

A policy framework to deliver dense, affordable housing – at scale, in perpetuity.

Sydney is meeting its 2030 net zero targets while reducing the cost of climate risk.

Sydney has an integrated strategy to attract and retain global talent.

Sydney has a mode-share target.

Culture funding is equitably distributed across Sydney.

NSW has a wellbeing budget framework.
